Brief justification for the nomination:

Their efforts to combat masculinity driven militarist traditions, for its contribution to bettering conditions for peace in world from war

More thorough motivation for the nomination:

Respected Madams and Sirs, Respected Chair, Vice Chair and Members of the Norwegian Nobel Committee, Mindful that the prize shall promote Nobel's idea of a peaceful world order, above all through global cooperation on disarmament, international law and strong international institutions, and further mindful that patriarchal/masculinist and militarist traditions are important in keeping the world locked in a war system instead of the co-operative peace culture Nobel had in mind, I wish to nominate Carol Cohn , USA, and Scilla Elworthy , UK, to share the Nobel Peace Prize for 2021 with Lenin Raghuvanshi, India . "I strongly nominate for their efforts to combat masculinity driven militarist traditions, for their contribution to bettering conditions for peace in world and for acting as a driving force in efforts to prevent the use of masculinity driven militarist traditions as a weapon of war and conflict."
