

Dear Nobel Committee:

I would like to join others who have nominated and renominated the renowned peace activist, Ms. Kathy Kelly, including Nobel laureate Mairead Corrigan Maguire. Marquette University is the repository for Ms. Kelly's papers. Although much too modest to mention his correlative engagement in peace activism, Marquette University archivist Phillip Runkel can provide additional information in support of Ms Kelly's global commitment to peace.

Thank you for your consideration of Ms. Kelly's candidacy.

Phillip C. Naylor, Ph.D., Professor
